### **This Labor Day, remember: Drive Sober or Get Pulled Over *Palatine Police Department stepping up traffic safety efforts***

(Palatine, IL) – As families and friends plan their end-of-summer celebrations for Labor Day weekend, the Palatine Police Department is partnering with the Illinois State Police and law enforcement across the state to stop impaired driving and help save lives.

“We’ll be out in force to keep impaired drivers off the roads with the goal of ensuring our community’s residents and visitors make it home safely once the parties end,” said Commander David Brandwein. “If you’ll be celebrating, we urge you to plan ahead for a sober ride.”

The high-visibility “Drive Sober or Get Pulled Over” enforcement campaign runs from Aug. 19 through the early-morning hours of Sept. 6. During this period, law enforcement will be stepping up efforts focused on impaired, unbuckled, and distracted drivers. Additionally, the Palatine Police Department will conduct a Roadside Safety Check in the 1200 block of W. Algonquin Rd from 10:15 PM on Friday, Sept. 2, 2022 through 3:15 AM on Saturday, Sept. 3, 2022.

Before the party starts, remember to designate a sober driver and don’t let friends or family members drive impaired. Other important tips include:

- If you’re hosting, make sure all your guests designate a sober driver in advance, or arrange ride-sharing or another sober ride home. Also, serve lots of food and include non-alcoholic beverages at the party.
- If you do not have a designated driver, ask a sober friend for a ride home, call a cab, or stay where you are and sleep it off until you are sober.
- Don’t let friends leave your sight if you think they are about to drive impaired.
- Always buckle up – it is your best defense in a crash.

The Labor Day “Drive Sober or Get Pulled Over” campaign is made possible by federal highway safety funds administered by the Illinois Department of Transportation.
